## Chairman's Letter

### Dear Stakeholders,

I have great pleasure in presenting the Annual Report of the company for the financial year 2018-19.

### Macro-Economic Outlook

Despite several global headwinds, the Indian economy achieved stable growth mainly on the strength of ongoing structural reforms. However, the year also witnessed significant volatility in crude and currency movements. The rupee was under constant pressure and declined considerably on account of rising crude oil prices and strengthening of dollar due to higher fed rates. The consumer price inflation was within comfortable zone despite elevated crude oil prices during most part of the year. India continued to improve its ranking in the ease of doing business and is continuously emerging as an important player in the world economy. The recent landslide victory of the BJP government and the continuous pace of bold reforms is further expected to strengthen the growth prospects of the economy, though global challenges due to emerging trade tensions need to be assessed.

### New brand identity

At the beginning of the year, we had initiated an exercise in corporate brand building to enable us to create a more unified group brand and align our various businesses to a shared brand identity. With the help of a globally renowned brand strategy and design company, we unveiled a new brand identity for the organization. This includes a new corporate logo and renaming the Company as "Bajaj Consumer Care Limited", with more focus and purpose towards "why we exist in the marketplace". This has also helped us to realign ourselves as an organization which "Thinks Tomorrow". Our new Vision now is "To harness our heritage of 90 years and combine it with leading edge scientific knowledge to bring innovative products for

consumers across the world to help them get more out of life".

### Company performance

The overall performance during the year was satisfactory and for the first time in history, we crossed the operating revenue of ₹ 900 crores on a standalone basis with a growth of 9.4% compared to the previous year. The EBITDA for the year has been 284 Crores, which is a very healthy 32% of our sales. This is despite rising cost of two key raw materials viz. light liquid paraffin which is directly linked to crude oil and mustard oil. The cost of other raw and packaging materials like perfume and glass bottles also witnessed upward revision. However, by proactive purchases and selling price increases, we were able to contain the rise in cost of goods sold and thereby mostly retaining our margins.

Continuing with our practice of rewarding shareholders, we have paid a handsome dividend of 1400% during the year under review.

### Brands

#### Bajaj Almond Drops Hair Oil

For the first time in 25 years, Bajaj Almond Drops, our iconic hair oil brand witnessed a brand new packaging. We hired a UK based design agency to help design the biggest change in its history. The brand has moved on from its classic color palate to a premium pearl maroon and gold combination. The bottle design is sleeker, and label taken an almond like tactile effect.

The brand re-launch has been very successful and has resulted in market share as well as penetration gain. The value market share in light hair oil went up to 64% and the performance of the brand in the total hair oil segment

touched an all-time high of 10%. This rise in market share has been driven by increase in household penetration. The penetration of Bajaj Almond Drops has gone up from 17.6% to 20.1%, which is an impressive rise of 2.5% in penetration within one year.

The brand's new look is a crucial step for the brand, and it aims at targeting the new age consumers & build on its key imagery attributes of lightness, nourishment & premium feel in an environmentally sustainable manner.

In the last quarter of the year, we also launched 'Bajaj Cool Almond Drops' in a cooling hair oil segment have been well received in the market.

### **Nomarks**

The other brand we relaunched during the year was 'Nomarks' which is showing positive result. On a company level, the brand has shown an impressive growth of 14% on an annual basis. The market share of the brand in anti-marks category continues to do well and is currently at 8.6%. We also launched 'Bajaj Nomarks Sunscreen' in the ayurvedic anti-marks sunscreen category during the last quarter of the year.

### **Distribution**

Distribution is one of the strengths of your company and we continued our focus on further improving it by implementing latest technologies to improve efficiencies of sales force. Today our brands are distributed through a network of more than 7000 stockists which covers about 4 million retail outlets in the country. We are committed to further invest in distribution and increase penetration and availability of our brands on the shelf.

### **Strategy**

In order to achieve full potential of our leading brand 'Bajaj Almond Drops hair Oil', we have engaged the services of Bain & Company (Bain), the renowned global Management Consultant. Bain will help us in formulating a front-end strategy for growth and help in implementing it. It will help to grow our hair oil brands faster. They will be using their well respective BBA or Bain Brand Accelerator model to guide us towards faster growth. The preliminary aspect of what we wish to achieve was presented at the investors meet held on May 6, 2019 at Mumbai.

### **Responsibility towards Society**

Your Company undertakes its CSR activities through the bajaj Foundation and has the vision of "Integrated development of the society through participatory

approaches that sets benchmarks and standards for others to emulate for sustainable development". We strive to empower rural communities to take charge of their own development in a participatory manner by developing and managing natural and human resources. Community development interventions focus on water resources development and strengthening agro based livelihoods. Bajaj Foundation also promotes alternate agro based livelihood opportunities such as dairy farming, natural farming, horticulture development, women's empowerment through formation of their self-help groups, promoting farmers' producers companies, climate proofing projects and biogas which not only provides additional steady income but enhances the quality of life of the rural community.

I wish to thank our villagers, government agencies and all stakeholders for their support which has ensured that we now reach 1120 villages benefitting 2.10 lakh families covering 10.38 lakh people in Wardha (Maharashtra) and Sikar (Rajasthan) districts to make them socio-economically prosperous districts.

### **Employees & organization culture**

The Company is continuously striving to attract the best talent, enhance employee experience and improve employee retention. With the objective of being a great employer, we have conducted a cultural assessment through Egon Zhender, an HR consultancy firm of international repute, to help us evolve an industry best employee friendly working culture. I am further delighted to share that your company has now been certified as Great Place to Work for building a high trust and high-performance culture.

### **Way Forward**

We challenge the status quo every day to constantly change, grow and surge ahead with an eye on creating a brighter tomorrow. We aim to create an organization which is future ready, system driven and create value for our stakeholders. We will continue to strive for operational efficiencies through automation and effective system and process improvement. We remain committed for profitable and sustainable growth in years to come by upholding highest level of corporate governance and integrity.

With warm regards

**Kushagra Nayan Bajaj**

17. Pursuant to the provisions of Section 101 and Section 136 of the Companies Act, 2013 read with Rule 18 of Companies (Management and Administration) Rules, 2014, Regulation 36 of Listing Regulations and Secretarial Standard on General Meetings, Companies can serve Annual Reports and other communications through electronic mode to those

Members who have registered their e-mail Id either with the Company or with the Depository.

Accordingly, the Company will send the Annual Report for the year 2018-19 by electronic mode to all those Members at their registered e-mail ids provided to the Company by the respective Depositories and RTA. The physical copies of the Annual Report will also be available at the Registered Office of the Company for inspection during business hours on all working days except Saturdays, Sundays and National Holidays up to the date of the 13<sup>th</sup> AGM. In case any Member(s) insist for physical copy of the aforementioned documents, the same shall be sent to the respective Member(s) free of cost.

Members who have not registered their e-mail Id, physical copies of the Annual Report 2018-19 are being sent by the modes permitted under Companies Act, 2013. The Annual Report is also available on the Company's website at [www.bajajconsumercare.com](http://www.bajajconsumercare.com).

Rule 18 of the Companies (Management and Administration) Rules, 2014 requires a company to provide advance opportunity at least once in a Financial Year to the Members to register his/her e-mail Ids and any changes therein. In accordance with the said requirements, we request the Members who do not have their e-mail Ids registered, get the same registered with the Company or changes therein by submitting a duly filled-in 'E-communication Registration Form' annexed to this Annual Report as well as available on the Company's website at [www.bajajconsumercare.com](http://www.bajajconsumercare.com) under the heading "Investors" by the name "E-Communication Registration Form".

18. The route map of the venue of the Meeting in terms of requirement of Secretarial Standards on General Meetings forms part of this Notice.
19. Members desiring any information with regard to financial statements are requested to write to the Company at an early date so as to enable the management to keep the information ready.
20. Voting through electronic means:

Pursuant to Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended by the Companies (Management and Administration) Amendment Rules, 2015 (including any statutory modification(s), clarification(s), exemption(s), re-enactment(s) or substitution(s) thereof for the time being in force), Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standards on

General Meetings, the Company is providing to its Members facility to cast their vote electronically from a place other than venue of the AGM ("remote e-voting") using an electronic voting system provided by Karvy Fintech Private Limited (Karvy) as an alternative for all Members of the Company to enable them to cast their votes electronically, on all the business items set forth in the Notice of AGM and the business may be transacted through such remote e-voting. For voting electronically, the process and manner for generating/receiving the password and to cast vote(s) in a secure manner, the Members are requested to take note of the following:

- a) The remote e-voting period commences on Thursday, July 11, 2019 at 9.00 A.M. and ends on Sunday, July 14, 2019 at 5.00 P.M. During this period, the Members of the Company holding shares in physical form or in dematerialized form, as on the cut-off date being Monday, July 8, 2019, may cast their vote by electronic means in the manner and process set out hereinbelow. The remote e-voting module shall be disabled for voting thereafter. Once the vote on a resolution is cast by the Member, the Member shall not be allowed to change it subsequently. Further, the Members who have cast their vote electronically shall not vote by way of poll, if held at the Meeting.
- b) The voting rights of the Members shall be in proportion to their shares in the paid-up share capital of the Company as on the cut-off date, being Monday, July 8, 2019.
- c) Once the vote on a resolution is cast by a Member through remote e-voting, he/she/it shall not be allowed to change it subsequently.
- d) Any person, who acquires shares and becomes Member of the Company after dispatch of Notice of AGM and holding shares as on the cut-off date, i.e. Monday, July 8, 2019, may refer to this Notice of AGM of the Company, posted on Company's website at [www.bajajconsumercare.com](http://www.bajajconsumercare.com) for detailed procedure with regard to remote e-voting. Any person, who ceases to be the Member of the Company as on the cut-off date and is in receipt of this Notice, shall treat this Notice for information purpose only.
- e) In terms of provisions of Section 107 of the Companies Act, 2013, since the Company is providing the facility of remote e-voting to the Members, there shall be no voting by show

- of hands at the AGM. The Company is also offering facility for voting by way of Polling Papers/Ballot Papers at the AGM for the Members attending the meeting who have not cast their vote by remote e-voting. In case of voting by Polling Paper/Ballot Papers at the AGM, the voting rights of the Members shall be in proportion to their shares in the paid-up share capital of the Company as on the date of Book Closure.
- f) A Member may participate in the AGM even after exercising his right to vote through remote e-voting, but cannot vote again at the AGM.
  - g) If a Member cast votes by both modes i.e. remote e-voting and Polling Papers/Ballot Papers at the AGM, then voting done through remote e-voting shall prevail and Polling Paper/ Ballot Paper shall be treated as invalid.

The instructions for remote e-voting are as under:

**STATEMENT ANNEXED TO THE NOTICE AND SETTING OUT THE MATERIAL FACTS CONCERNING EACH ITEM OF SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013 AND SECRETARIAL STANDARD ON GENERAL MEETINGS.**

**In respect of Item No. 4**

The Board of Directors at its meeting held on March 19, 2019, based on the recommendation of the Nomination, Remuneration & Corporate Governance Committee, had appointed Ms. Lilian Jessie Paul (DIN: 02864506), as an Additional Director of the Company, designated as an independent director, effective March 19, 2019. Pursuant to Section 161 of the Companies Act 2013 (the Act), Ms. Lilian Jessie Paul will hold such office up to the date of forthcoming Annual General Meeting and is eligible to be appointed as Director of the Company. The Company has, in terms of Section 160 of the Act, received, in writing, a notice from a Member, proposing the candidature of Ms. Lilian Jessie Paul for the office of Director.

The Company has also received a declaration under Section 149(7) of the Act from Ms. Lilian Jessie Paul confirming that she meets the criteria prescribed for Independent Directors under Section 149(6) of the Act as well as provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI LODR). Ms. Lilian Jessie Paul has also furnished to the Company (i) Consent to act as Director in DIR2 pursuant to Rule 8 of Companies (Appointment and Qualification of Directors) Rules, 2014 and (ii) Declaration in Form DIR-8 in terms of the Companies (Appointment & Qualification of Directors) Rules, 2014, to the effect that she is not disqualified under Section 164 of the Act.

In the opinion of the Board, Ms. Lilian Jessie Paul fulfils the conditions for her appointment as a Non-executive & Independent Director as prescribed under the Act and Rules made thereunder as well as Regulation 16 of the SEBI LODR. Ms. Lilian Jessie Paul is independent of the Management. In the opinion of the Board, the Company will immensely benefit from the varied experience and knowledge of Ms. Lilian Jessie Paul. The terms and conditions of appointment of Ms. Lilian Jessie Paul as a Non-Executive & Independent Director shall be available for inspection by the Members at the Registered Office of the Company during business hours on all working days, except Saturday, Sunday and National holidays, up to the date of the Annual General Meeting.

The Board of Directors recommend passing of the Resolution set out in Item No. 4 of the Notice.

None of the Directors of the Company and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in any way, in the aforesaid resolution.

### In respect of Item No. 5

Pursuant to the approval granted by shareholders and Central Government under erstwhile Section 314 of the Companies Act, 1956, Mr. Apoorv Bajaj, a relative of Mr. Kushagra Bajaj, Non-Executive Chairman of the Company, was appointed as Executive President of the Company for a period of five (5) years effective November 5, 2014. Based on the recommendation of the Nomination, Remuneration and Corporate Governance Committee and Audit Committee, the Board, effective November 5, 2019, proposes re-appointment of Mr. Apoorv Bajaj as Executive President of the Company.

Since Mr. Apoorv Bajaj is a related party, holding office or place of profit in terms of provisions of Section 188 (1) (f) of the Companies Act, 2013, given below is a statement of disclosure pursuant to the Companies (Meetings of Board & its Powers) Rules, 2014:

- a. Name of related party : Mr. Apoorv Bajaj
- b. Name of the Director or Key Managerial Personnel who is related, if any : Mr. Kushagra Bajaj, Non Executive Chairman.
- c. Nature of relationship : Mr. Apoorv Bajaj is the brother of Mr. Kushagra Bajaj, Non Executive Chairman.
- d. Nature, material terms, monetary value and particulars of the contract or arrangement : Reappointment of Mr. Apoorv Bajaj as Executive President of the company on a yearly remuneration of ₹ 1,49,43,972/- subject to revision by the Board or Committee thereof in accordance with the policy of the Company on performance measurement.
- e. Any other information relevant or important for the members to take a decision on the proposed resolution :

Mr. Apoorv Bajaj is a commerce graduate from Bombay University and also holds a certificate of E-Business from London School of Economics and Political Science (London Summer school). He is associated with the Company since 2006 and is instrumental in introducing several new initiatives like reduction in costs, revamping of logistics and transportation matrix to enable faster movement of goods in the market, development of new vendors etc. He is also actively engaged with the Company in the areas of finance, marketing, commercial and human resource function.

The Board considers that Mr. Apoorv Bajaj's continued association with the Company would immensely benefit the Company and it is desirable to continue to avail the services of Mr. Apoorv Bajaj as an Executive President.

The Board of Directors recommend passing of the resolution set out in Item No. 5 of the Notice.

Mr. Kushagra Bajaj may be deemed to be interested and/or concerned in the Resolution at Item No. 5. Save as aforesaid, none of the Directors of the Company and Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in any way, in the aforesaid resolution.

The salient features of the CSR policy along with the Report on CSR activities are given in **Annexure-3** to this Directors' Report.

## Business Risk Management

The Company, like any other enterprise, is exposed to business risk which can be internal risks as well as external risks. One of the key risks faced by the Company in today's scenario is the wide and frequent fluctuations in the prices of its raw material. Any further increase in prices of raw materials could create a strain on the operating margins of the Company. Inflationary tendencies in the economy and deterioration of macroeconomic indicators can impact the spending power of the consumer because of which down trading from branded products to non-branded can occur which can affect the operating performance of the Company.

The Company operates in the highly competitive FMCG market with competitors who may have better ability to spend more aggressively on advertising and marketing and more flexibility to respond to changing business and economic conditions. An increase in the amount of competition that we face could have a material adverse effect on our market share and sales.

Any unexpected changes in regulatory framework pertaining to fiscal benefits and other related issues can affect our operations and profitability.

A key factor in determining a Company's capacity to create sustainable value is the ability and willingness of the Company to take risks and manage them effectively and efficiently.

However, the Company is well aware of the above risks and as part of business strategy has put in a mechanism to ensure that they are mitigated with timely action. The Company has a robust Business Risk Management (BRM) framework to identify, evaluate business risks and opportunities. This framework seeks to create transparency, minimize adverse impact on the business objectives and enhance the Company's competitive advantage. The details of the Risk Management Policy are available on the Company's website at [http://www.bajajconsumercare.com/img/Risk\\_Management\\_Policy-291116.pdf](http://www.bajajconsumercare.com/img/Risk_Management_Policy-291116.pdf).

In the opinion of the Board of Directors, none of the aforementioned risks affect and/or threaten the existence of the Company.

## Vigil Mechanism / Whistle – Blower Policy

The Company has adopted a 'Whistle-Blower Policy' for Directors and Employees to report genuine concerns and to provide adequate safeguards against victimization of persons who may use such mechanism.

The functioning process of this mechanism has been more elaborately mentioned in the Corporate Governance Report forming a part of this Annual Report. The said policy is hosted on Company's website at [http://bajajconsumercare.com/img/Whistle\\_Blower\\_Policy-291116.pdf](http://bajajconsumercare.com/img/Whistle_Blower_Policy-291116.pdf)

## Remuneration Policy

The Board on the recommendation of the Nomination, Remuneration & Corporate Governance Committee, framed a policy for selection and appointment of Directors, Senior Management and their remuneration and to develop & recommend to the Board a set of Corporate Governance Guidelines. The policy of the Company on Directors appointment and remuneration including criteria for determining qualifications, positive attributes, independence of Directors and other matters provided under Section 178(3) of the Companies Act, 2013 and Regulation 19 of the Listing Regulations is available on the Company's website at <http://bajajconsumercare.com/img/Policy-on-Nomination-Remuneration-&-Corporate-Governance.pdf>.

The salient features of the policy are as below :-

- To identify individuals qualified to be Board Members and in Senior Management, consistent with criteria approved by the Board and to periodically examine the structure, composition and functioning and performance of the Board, its Committees & Senior Management and recommend changes, as necessary;
- To recommend new Board Members in light of resignation of current Members or a planned expansion of the Board;
- To recommend to the Board of Directors to serve on each of the Board Committee;
- To formulate the criteria for evaluation of Independent Directors and the Board.
- To formulate the criteria for determining the qualifications, positive attributes and independence of a Director.
- To recommend to the Board remuneration policy for Directors, Key Managerial personnel and other employees.
- To develop and recommend to the Board a set of Corporate Governance Guidelines;
- To oversee the evaluation of the Board, Committees of the Board and the management.
- To assess the Company's policies and processes in key areas of Corporate Governance, other than those explicitly assigned to other Board Committees, with a view to ensuring the Company is at the forefront of good corporate governance;
- Review key corporate governance processes not specifically assigned to other committees, and recommend changes needed to ensure that the company is at best practice;
- Examine the impact of significant regulatory and statutory changes applicable to the governance practices of the Company and to recommend measures to implement the same;
- To regularly examine ways to strengthen the Company's organizational health, by improving the hiring, retention, motivation, development, deployment and behaviour of management and other employees.

In this context, the Committee will also review the framework and processes for motivating and rewarding performance at all levels of the organization, will review the resulting compensation awards and will make appropriate proposals for Board approval. In particular, it will recommend all forms of compensation to be granted to Directors, Key Managerial Personnel, Senior Management and other employees of the Company.

## Dividend Distribution Policy

### 1. BACKGROUND, SCOPE, PURPOSE AND EFFECTIVE DATE

The Securities and Exchange Board of India (SEBI) on July 8, 2016 has notified the SEBI (Listing Obligations and Disclosure Requirements) (Second Amendment) Regulations, 2016 (Regulations).

Vide these Regulations, SEBI has inserted Regulation 43A after Regulation 43 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, which requires top five hundred listed companies (based on market capitalization of every financial year) to formulate a Dividend Distribution Policy, which shall be disclosed in its Annual Report and on its website.

Bajaj Consumer Care Limited (the "Company") being one of the top five hundred listed company as per the criteria mentioned above, the Company has approved and adopted this Dividend Distribution Policy (the "Policy") at its meeting held on October 14, 2016, being the effective date of the Policy .

The intent of the Policy is to broadly specify the external and internal factors including financial parameters that shall be considered while declaring dividend and the circumstances under which the shareholders of the Company may or may not expect dividend and how the retained earnings shall be utilized, etc.

The Policy shall not apply to:

- Determination and declaration of dividend on preference shares, as and when issued by the Company, as the same will be as per the terms of issue approved by the shareholders
- Issue of Bonus Shares by the Company
- Buyback of Securities

The Policy is not an alternative to the decision of the Board for recommending dividend, which is made every year after taking into consideration all the relevant circumstances enumerated hereunder or other factors as may be decided as relevant by the Board.

### 2. DEFINITIONS

- 2.1 **"Board"** shall mean Board of Directors of the Company.
- 2.2 **"Companies Act"** shall mean the Companies Act, 2013 and Rules thereunder, notified by the Ministry of Corporate Affairs, Government of India, as

amended.

- 2.3 **"Dividend"** included any interim dividend.
- 2.4 **"Listed Entity / Company"** shall mean Bajaj Consumer Care Limited.
- 2.5 **"Policy"** means Dividend Distribution Policy.
- 2.6 **"Regulations"** shall mean the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as notified by the Securities and Exchange Board of India, as amended, from time to time.
- 2.7 **"Stock Exchange"** shall mean a recognised Stock Exchange as defined under clause (f) of Section 2 of the Securities Contracts (Regulation) Act, 1956.

### 3. POLICY

#### A. PARAMETERS AND FACTORS FOR DECLARATION OF DIVIDEND

The dividend pay-out decision of the Board depends upon the following financial parameters and internal and external factors.

#### Financial parameters and Internal Factors:

- i. Operating cash flow of the Company
- ii. Profit earned during the year
- iii. Profit available for distribution
- iv. Earnings Per Share (EPS)
- v. Working capital requirements
- vi. Capital expenditure requirement
- vii. Business expansion and growth
- viii. Likelihood of crystallization of contingent liabilities, if any
- ix. Additional investment in subsidiaries and associates of the company
- x. Upgradation of technology and physical infrastructure
- xi. Creation of contingency fund
- xii. Acquisition of brands and business
- xiii. Cost of Borrowing
- xiv. Past dividend payout ratio / trends

#### External Factors:

- i. Economic environment
- ii. Capital markets
- iii. Global conditions
- iv. Statutory provisions and guidelines
- v. Dividend payout ratio of competitors

## **B. CIRCUMSTANCES UNDER WHICH THE SHAREHOLDERS OF THE COMPANY MAY OR MAY NOT EXPECT DIVIDEND**

The decision regarding dividend pay-out is a crucial decision as it determines the amount of profit to be distributed among shareholders of the Company and the amount of profit to be retained in business. The decision seeks to balance the dual objectives of appropriately rewarding shareholders through dividends and retaining profits in order to maintain a healthy capital adequacy ratio to support future growth. The shareholders of the Company may not expect dividend in the following circumstances, subject to discretion of the Board of Directors:

- i. Proposed expansion plans requiring higher capital allocation
- ii. Decision to undertake any acquisitions, amalgamation, merger, joint ventures, new product launches etc. which requires significant capital outflow
- iii. Requirement of higher working capital for the purpose of business of the Company
- iv. Proposal for buy-back of securities
- v. In the event of loss or inadequacy of profit

## **C. UTILIZATION OF THE RETAINED EARNING**

The Board may retain its earnings in order to make better use of the available funds and increase the value of the stakeholders in the long run. The decision of utilization of the retained earnings of the Company shall be based on the following factors:

- Market expansion plan
- Product expansion plan
- Increase in production capacity
- Modernization plan
- Diversification of business
- Long term strategic plans
- Replacement of capital assets
- Where the cost of debt is expensive
- Dividend payment
- Such other criteria's as the Board may deem fit from time to time.

## **D. MANNER OF DIVIDEND PAYOUT**

### **In case of final dividend:**

- i. Recommendation, if any, shall be done by the Board, usually in the Board meeting that considers and approves the annual financial

statements, subject to approval of the shareholders of the Company.

- ii. The dividend as recommended by the Board shall be approved/declared at the Annual General Meeting of the Company.
- iii. The payment of dividends shall be made within the statutorily prescribed period from the date of declaration, to those shareholders who are entitled to receive the dividend on the record date/book closure period, as per the applicable law.

### **In case of interim dividend:**

- i. Interim dividend, if any, shall be declared by the Board.
- ii. Before declaring interim dividend, the Board shall consider the financial position of the Company that allows the payment of such dividend.
- iii. The payment of dividends shall be made within the statutorily prescribed period from the date of declaration to the shareholders entitled to receive the dividend on the record date, as per the applicable laws.
- iv. In case no final dividend is declared, interim dividend paid during the year, if any, will be regarded as final dividend in the Annual General Meeting.

## **E. PARAMETERS TO BE ADOPTED WITH REGARD TO VARIOUS CLASSES OF SHARES**

Since the Company has issued only one class of equity shares with equal voting rights, all the Members of the Company are entitled to receive the same amount of dividend per share. The Policy shall be suitably revisited at the time of issue of any new class of shares depending upon the nature and guidelines thereof.

## **4. DISCLOSURES**

The Dividend Distribution Policy shall be disclosed in the Annual Report and on the website of the Company i.e. at [www.bajajconsumercare.com](http://www.bajajconsumercare.com)

## **5. POLICY REVIEW AND AMENDMENTS**

This Policy would be subject to modification in accordance with the guidelines / clarifications as may be issued from time to time by relevant statutory and regulatory authorities. The Board may modify, add, delete or amend any of the provisions of this Policy. Any exceptions to the Dividend Distribution Policy must be consistent with the Regulations and must be approved in the manner as may be decided by the Board of Directors.

# Corporate Governance Report

(Pursuant to Regulation 34 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015) (“Listing Regulations”)

## Company's philosophy on Code of Corporate Governance

The elements of transparency, fairness, disclosure and accountability form the cornerstone of corporate governance policy at Bajaj Consumer Care Limited. These elements are embedded in the way we operate and manage the business and operations of the Company. We value, practice and implement ethical and transparent business practices aimed at building trust amongst various stakeholders. We believe that corporate governance is a key element in improving efficiency and growth as well as enhancing investor confidence.

The said belief gets reflected in the decision of the Board of Directors of the Company to voluntarily adopt Corporate Governance standards codified in Section 303A of New York Stock Exchange (NYSE) Listed Company Manual.

The philosophy and practice of corporate governance can be summarised as:

- Responsible and ethical decision making;
- Transparency in all business dealings and transactions;
- Timely and accurate disclosures of information;
- Integrity of reporting;
- The protection of the rights and interests of all stakeholders;
- Effective internal control to manage elements of uncertainty and potential risks inherent in every business decision;
- The Board, Employees and all concerned are fully committed to maximizing long-term value of the stakeholders and the Company;
- The Company positions itself from time to time to be at par with any other Company of world-class in operating practices.

## Board of Directors

The Members of the Board of Directors of the Company are eminent personalities from various fields who bring in a wide range of skills and experience to the Board and they are entrusted with the ultimate responsibility of the management, general affairs, direction and performance of the Company.

### Composition

The Company is in compliance with the provisions of Section 149 of the Companies Act, 2013 and Regulation 17 of Listing Regulations with regard to the composition of the Board.

The Board of Directors of the Company comprises an optimum combination of Executive and Non-Executive Directors. As on March 31, 2019, the Board consists of six Directors comprising four Independent Directors including one women independent director, one Executive Director and one Non-Executive Director. Commensurate with the size of the Company, complexity and nature of underlying business, the composition of the Board represents an optimal mix of professionalism, knowledge and experience and enables the Board to discharge its responsibilities and provide effective leadership to the business. The Independent Directors bring external perspective and independence to decision making.

All the Independent Directors have confirmed to the Board that they meet the criteria for Independence in terms of the definition of 'Independent Director' stipulated under Regulation 16 (1)(b) of the Listing Regulations and Section 149 of the Companies Act, 2013. These confirmations have been evaluated and taken on record by the Board. Further, in the opinion of the Board, all the Independent Directors of the Company fulfill the condition/satisfy the qualifying criteria of Independence as specified in Listing Regulations and in Section 303A.02 of NYSE Listed Company Manual. None of the Independent Directors hold office as an Independent Director in more than seven listed companies as stipulated under Listing Regulations. Further, Executive Director of the Company is not serving as an Independent Director in any listed company. In the opinion of the Board, the independent directors fulfil the conditions specified in the Listing Regulations and are independent of the management.

All the Directors have made necessary disclosures regarding their directorships as required under Section 184 of the Companies Act, 2013 and the Committee positions held by them in other companies as stipulated under Regulation 26 of Listing Regulations. None of the Directors of the Company hold Directorships in more than 20 companies, including 10 public companies. Further, none of the Director hold directorship in more than 8 listed entities as provided in Regulation 17(a)(a) of the Listing Regulations. In accordance with Regulation 26 of the Listing Regulations, none of the Directors are Members in more than 10 committees excluding private limited companies, foreign companies and companies under Section 8 of the Companies Act, 2013 or act as Chairperson of more than 5 committees [the committees being Audit Committee and Stakeholders Relationship Committee] across all listed entities in which he/she is a Director. ### Board Procedure

The Board meets at regular intervals to discuss and decide on Company / business policy and strategy apart from other Board business. The Board Meetings (including Committee Meetings) of the Company are scheduled in advance to facilitate the Directors to plan their schedule and to ensure meaningful participation in the meetings. However, in case of a special and urgent business need, the Board's approval is taken by passing resolution(s) by circulation, as permitted by law, which is noted in the subsequent Board Meeting.

Department heads communicate with the Company Secretary in advance with regard to matters requiring the approval of the Board to enable inclusion of the same in the agenda for the Board Meetings. The detailed agenda as approved by the Chairman together with the relevant attachments are circulated amongst the Directors in advance. All major agenda items are backed by comprehensive background information to enable the Board to take informed decisions. Where it is not practicable to circulate any document in advance or if the agenda is of a confidential nature, the same is tabled at the meeting. In special and exceptional circumstances, consideration of additional or supplementary items is taken up with the approval of the Chair and majority of the Directors. Senior Management Personnel are invited to the Board/ Committee Meeting(s) to provide additional inputs for the items being discussed by the Board/ Committees thereof as and when necessary. Further, presentations are made on business operations to the Board by the Functional Heads of the Company. Additionally, presentations are

also made on various matters which the Board wants to be apprised of. In addition to above, the Company, in compliance with Regulation 17(7) and Schedule II, Part A of the Listing Regulations, places before the Board all the required information from time to time.

The Company Secretary is responsible for convening of the Board and Committee Meetings and preparation of respective Agenda. The Company Secretary attends all the Meetings of the Board and its Committees, advises/assures the Board on Compliance and Governance principles and ensures appropriate recording of minutes of the meetings.

With a view to leverage technology and to reduce paper consumption, the Company has adopted a web-based application for transmitting Board/Committee Agenda and Minutes. The Directors of the Company receive the Agenda in electronic form through this application. The application meets high standards of security and integrity that is required for storage and transmission of Board/Committee Agenda and Minutes in electronic form.

The draft Minutes of the proceedings of the Meetings of the Board/Committee(s) are circulated to all the Members of the Board or the Committee for their perusal within the stipulated time prescribed by Secretarial Standard on Meeting of the Board of Directors. Comments, if any, received from the Directors are incorporated in the Minutes in consultation with the Chairman. The Minutes are approved by the Members of the Board/Committee(s) prior to the next Meeting. The signed Minutes are circulated to all the Members of the Board or the Committee within the stipulated time prescribed by Secretarial Standard on Meeting of the Board of Directors.

## Information provided to the Board

The Board of Directors of the Company has complete access to any information within the Company. At the Meetings, the Board is provided with all the relevant information on important matters affecting the working of the Company as well as all other relevant details that require deliberation by the Members of the Board. ## Evaluation of Board's Performance

Pursuant to the provisions of the Companies Act, 2013 and Listing Regulations, the Board has carried out an annual evaluation of its own performance, performance of the Directors as well as the working of its Committees.

The Nomination, Remuneration and Corporate Governance Committee have defined the evaluation criteria for the Board, its Committees and Directors.

- i. Attendance at the Board/Committee Meetings.
- ii. Active participation in the Meetings.
- iii. Understanding the critical issues affecting the Company.
- iv. Prompting discussion on strategic issues.
- v. Bringing relevant experience to the Board and using it effectively.
- vi. Understanding and evaluating the risk environment of the Organization.
- vii. Conducting himself/herself in a manner that is ethical and consistent with the laws of the land.
- viii. Maintaining confidentiality wherever required.

- ix. Communicating in an open and constructive manner.
- x. Seeking satisfaction and accomplishment through serving on the Board.

The Board and its Committees, Individual Directors and Independent Directors were evaluated based on above criteria. In addition, the Chairman was also evaluated on key aspects of his role, including setting the strategic agenda of the Board, encouraging active engagement by all Board Members. The performance evaluation of the Independent Directors was carried out by the entire Board, excluding the Director being evaluated. The performance evaluation of the Chairman and the Non-Independent Directors was carried out by the Independent Directors who also reviewed the performance of the Board as a whole.

The Nomination, Remuneration and Corporate Governance Committee also reviewed the performance of the Board.

The Directors were satisfied with the evaluation results, which reflected the overall functioning of the Board and its Committees. The details of the policy on evaluation of Board's performance is available on the Company's website at [http://www.bajajconsumercare.com/img/Board\\_Performance\\_Evaluation\\_Policy-291116.pdf](http://www.bajajconsumercare.com/img/Board_Performance_Evaluation_Policy-291116.pdf).

## Succession Planning

The Company has a mechanism in place for ensuring orderly succession for appointments to the Board and senior management.

## Risk Management

The Company recognizes that its activities are routinely exposed to the risks that a Fast Moving Consumer Goods (FMCG) Company faces today. The Company is also aware that some risks it faces are somewhat different to those that generally exist in the FMCG business. The Board has adopted a Risk Management Policy primarily aimed at mitigating the effects of the risks faced through identification and mitigating the effects that the risks pose to the Company. The Board has recently constituted a Risk Management Committee to oversee risk environment and suggest mitigations plans. The details of the Risk Management Policy are available on the Company's website at [http://www.bajajconsumercare.com/img/Risk\\_Management\\_Policy-291116.pdf](http://www.bajajconsumercare.com/img/Risk_Management_Policy-291116.pdf).

## Responsibilities of Managing Director

Mr. Sumit Malhotra, Managing Director, is at the helm of affairs. The Managing Director is responsible for leading and directing the Company's overall operations.

## Code of Ethics (Code of Conduct)

The Company has adopted a Code of Ethics (Code of Conduct) for the Directors and Senior Management of the Company. The same has been posted on the Company's website at [http://www.bajajconsumercare.com/img/Code\\_of\\_Ethics-291116.pdf](http://www.bajajconsumercare.com/img/Code_of_Ethics-291116.pdf). The Members of the Board and Senior Management of the Company have submitted their affirmation on compliance with the Code for the effective period. The declaration by the Managing Director to that effect forms part of this Report.

## Whistle Blower Policy (Vigil Mechanism)

The Board of Directors of the Company are committed to maintain the highest standards of honesty, openness and accountability and recognise that each and every person in the Company has an important role to play in achieving the organisational goals. It is the policy of the Company to encourage employees, when they have reasons to suspect violations of laws, rules, regulations, unethical conduct, questionable accounting/audit practices, reporting of fraudulent financial information to shareholders, the Government or the financial markets and/or serious misconduct otherwise, to report those concerns to the Company's management.

The 'Whistle Blower' Policy adopted by the Company provides a ready mechanism for reporting violations of laws, rules, regulations or unethical conduct. The confidentiality of the 'whistle blower' is maintained and he/she is not subjected to any victimization and/or harassment. The present Whistle Blower Policy is in conformity with the provisions of Section 177 of the Companies Act, 2013 and Regulation 22 of the Listing Regulations. Every employee of the Company has been provided access

to the Audit Committee Chairman through email/ correspondence address, should they desire to avail of the Vigil Mechanism. The details of the Policy are available on the Company's website at [http://bajajconsumercare.com/img/Whistle\\_Blower\\_Policy-291116.pdf](http://bajajconsumercare.com/img/Whistle_Blower_Policy-291116.pdf)

## Board Committees

Establishing Committees is one way of managing the work of the Board, thereby strengthening the Board's governance role. These Committees play a crucial role in the governance structure of the Company and have been constituted to deal with specific areas/activities. The Board has constituted a set of Committees with specific terms of reference/scope, to focus effectively on the issues and ensure expedient resolution of diverse matters. These Committees are set up under the formal approval of the Board to carry out clearly defined roles which are considered to be performed by Members of the Board. The Board supervises the execution of its responsibilities by the Committees and is responsible for their action. The Chairman of the respective Committee informs the Board about the summary of the discussions held in the Committee Meetings. The minutes of the Meetings of all Committees are placed before the Board for discussions/ noting. The Board Committees can request special invitees to join the meeting, as appropriate. # Management Discussion And Analysis

## Indian Economy

The recovery in growth in 2018 – 19 has been benign and this has been observed in RBI Monetary policy statements. The estimates for 2018-19 released by the Central Statistics Office (CSO) revised India's real gross domestic product (GDP) growth downwards to 6.80 per cent from 7.2 per cent in the first advance estimates. Economic activity has been on the decline for fourth consecutive quarter due to slowdown in public and private consumption. Crude oil prices declined in Q4 which led to reduced import costs in this quarter and provided marginal acceleration in exports to support economic activity momentum.

Retail inflation i.e. CPI has been fairly benign at 2.90% levels for March. With deflation in food and fuel prices, the retail inflation has collapsed below the RBI long term target of 4%. However, inflation in the fuel group collapsed to its lowest print in the new all India CPI series. Within the food group, deflation in four sub-groups – vegetables, sugar, pulses and fruits – continued in February. Egg prices moved into inflation after remaining in deflation in previous three months, while inflation ticked up in all other food sub-groups.

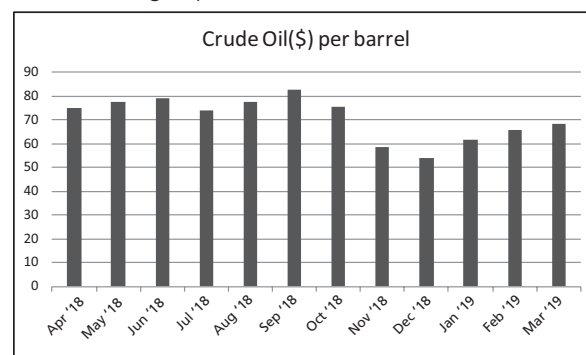

The inflation path during 2019-20 is likely to be shaped by several factors, however, inflation expectations for FY 2020 remains below 4%. First, low food inflation during January-February will have a bearing on the near-term inflation outlook. Second, the fall in the fuel group inflation witnessed at the time of the February policy has become accentuated. Third, CPI inflation excluding food and fuel fell sharply below the 5.1% level witnessed in March. Fourth, international crude oil prices have started rising, Brent crude oil prices have increased by over 10% in last 3 months. Taking into consideration these factors and assuming a normal monsoon in 2019, the path of CPI inflation is expected to be between 3.50 per cent to 4.00 per cent for FY 2020.

Since then, there are some signs of domestic investment activity weakening as reflected in a slowdown in production and imports of capital goods. The moderation of growth in the global economy might impact India's exports. On the positive side, however, higher financial flows to the commercial sector augur well for economic activity. Private consumption, which has remained resilient, is also expected to get a fillip from public spending in rural areas and an increase in disposable incomes of households due to tax benefits. Business expectations continue to be optimistic. The GDP growth for 2019-20 is expected to be around 7.00 per cent with growth expected to pick up in the second half of the year.

## Crude Oil Price Movement

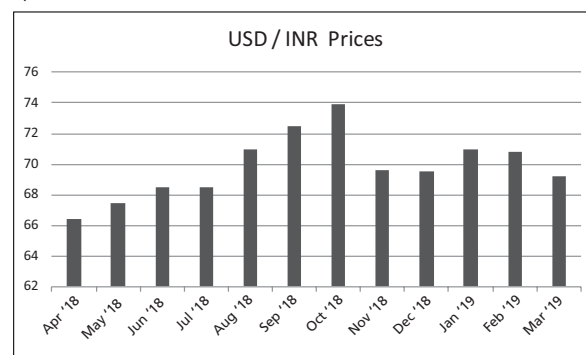

Crude oil prices have risen on production cuts by OPEC and Russia as well as disruption in supplies due to US sanctions on exports from Venezuela. Crude oil prices have become

volatile in the recent period. In September 2018, Crude oil prices spiked up to \$85 per barrel due to sanctions imposed on Iran and lack of clarity of production from Saudi Arabia. This resulted in short squeeze of production supply causing crude oil prices to spike. To counter this, Saudi Arabia increased Crude oil production and at the same time the sanctions on Iran crude oil were relaxed which cause supply glut of crude oil and sharp fall in crude oil prices in December 2018. Crude Oil prices have remained volatile for the whole year reflecting demand supply conditions underpinned by the production stance of OPEC plus the rising shale output, weakening global demand and geo-political concerns.

## USD INR movement

In currency markets, the US dollar, which recovered somewhat in early March on an optimistic outlook of the economy, shed most of its gains in the latter part of the month on a less hawkish stance of the Fed and on anxieties surrounding a possible trade war. Among other major currencies, the euro continued to appreciate on an improving growth outlook for the region. Most EME currencies have retreated in the wake of the recent market volatility and the improving US economic outlook, though investors continued to discriminate on country-specific factors.

## Key Highlights of the Company performance in FY19 :

- Sales increased to ₹ 88,094 lacs in FY19 from ₹ 81,185 lacs in FY18, registering a growth of 8.51%.
- Earnings before interest, depreciation, amortization and tax increased to ₹ 28,385 lacs in FY19 from ₹ 26,367 lacs in FY18, registering a growth of 7.65%.
- Profit after Tax (PAT) also increased by 4.56 % from ₹ 21,627 lacs in FY18 to ₹ 22,613 lacs in FY19.

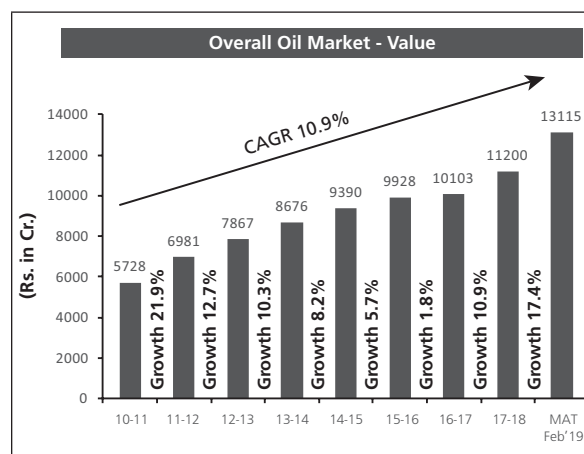

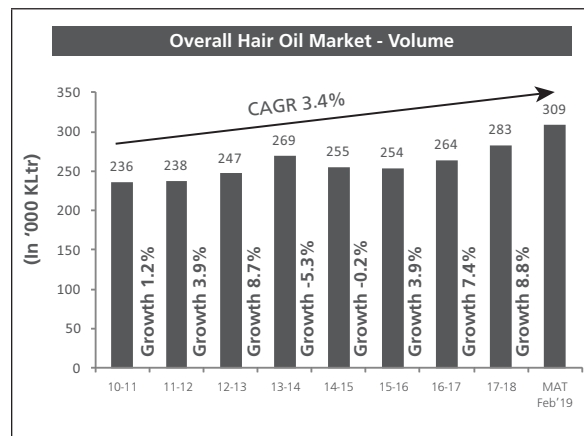

## Quarterly Sales, EBITDA & PAT of the Company during the year as follows:

## The Hair Oil Industry

The hair oil category has shown a strong growth in FY 2018-19 with a value growth of 17.4% and a volume growth of 8.8%. (Source: Nielsen Offtake Nos. MAT Feb'19)

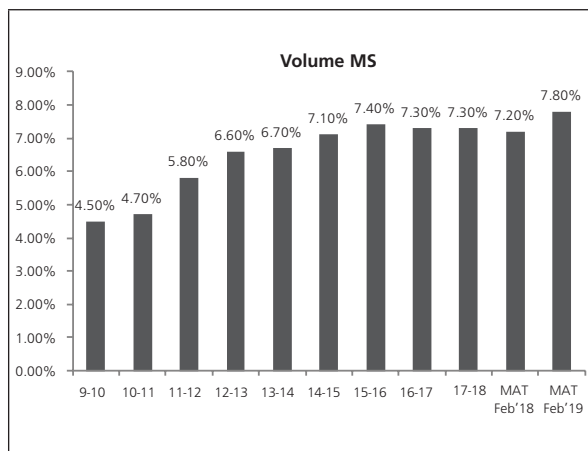

## Overall Hair Oil Market

In this strong growing market, Bajaj Almond Drops, has been able to more than keep up with the market pace. Volume share growth has been impressive and volume share touched an all-time high of 7.8% (MAT Feb '19). This share growth has happened in both Urban and Rural with share increasing by 0.5% in both the markets.

This has resulted in a value share gain of 0.1% to 9.6% at U+R level, and a volume share gain of 0.6% to 7.8%.

In the LHO category, the brand has continued to increase its dominance and the value market share has increased by 2% to 63%.

Household penetration has also gone up from 17.6% (MAT Dec'17) to 20.1% (MAT Dec 18). The penetration increase has happened across SKU's and the trial generating packs of 50ml and 100ml have also registered healthy increase in penetration (Up by 120 bps and 70 bps respectively).

The brand continues to maintain strong dominance on the distribution front and is present across 3.98 MM outlets as on Feb 19.

These results were enabled with a pack restage supported by a 360 marketing campaign. The pack restage has made the pack contemporary while strengthening the equity of Almond and Lightness.

In order to further expand the footprint of 'Bajaj Almond Drops Hair Oil' (ADHO) in the Hair oils category, we have launched **Bajaj Cool Almond Drops**. This a cooling oil which brings with it the ADHO equity of Non-Stickiness and nourishment into the ₹1000 crore cooling oil segment.

## Skin care

The Antimarks cream category continued to show double digit growth with a 16.6% growth (MAT Feb'19). NOMARKS has shown positive results this year on the back of a restage and our market shares have increased to 8.6% (MAT Feb 19) from 8.2% (MAT Feb 18) with 18% growth in offtakes. The restage was supported with a strong go to market plan with a new TV commercial, that focused on efficacy (product claim of starts working from day 1) and safety of our product (Ayurveda). It featured actress Taapsee Pannu, print, outdoor, digital, & trade visibility were also part of the relaunch support. The continued focus on chemist channel has also worked for us.

Next year, we plan to keep focus on our efficacy + Ayurveda message. In addition, we will continue to strengthen other key HSM markets that have been identified as key growth contributors for the business through disproportionate media investments and distribution focus.

## Sales & Distribution

The entire Sales and distribution set up went through the transformation journey towards full automation and consolidation across all channels. 95% of the Field Force is currently working with SFA and each direct outlet coverage is captured. The entire set of direct distributor is 100% operating on DMS which forms the main backbone for data processing. We are in a position to track channel wise sales, range, throughput, effectivity of each ISR and distributor live across the country. The entire manual claim

management have shifted to automated process thereby reducing Turn Around Time (TAT) by 90%. Massive consolidation exercise at the distributor level happened last year thereby reducing the distributor count by 35%. In 2 years, the turnover per distributor doubled giving us better leverage with our channel partners. Continuing our thrust on rural, we launched & successfully rolled out Rural SFA software and one of the very few FMCG companies to do so. We continue to be the one fastest company in the FMCG to shift to fully automated ITeS. Distribution continues to be the backbone of this organization and we expect automation to further enhance our reach, efficiency and presence in the market.

## Operations

The Company has been continuously striving to strengthen procurement process, manufacturing operations, marketing & human resource management and back-end operations which is demonstrated in the Company's performance during the year 2018-19.

### 1. Supply Chain & Procurement

FY 18-19 was a year of volatility driven by uncertainties in Indian and Global markets. US-China trade war, Brexit and OPEC decision to cut oil supply kept markets guessing on direction of economic growth. Crude continued its rising trend from \$60 range to \$80 and back to \$60 in same year. Your company had traversed the journey with strategic calls and appropriate timing. In addition to timing of buying, multiple initiatives around re-location of warehouses to maximise GST benefits, E-Auctions, Import substitution helped us to keep overall Inflation under tight control. Consolidation of distribution model is progressing in line with strategy approved with depot counts now at 20 v/s 28 in 2016-17. Closure of 2 more depots is planned in 2019-20.

Your company has also progressed well on partnering with supply base on driving innovation agenda. This has helped us to seamlessly migrate to new pack design in both, 'Almond Drops Hair Oil' as well as 'Nomarks' in 2018-19. In addition, 'Bajaj Cool Almond Drops' and 'Nomarks Sunscreen' were launched in record timing with 100% supply assurance as per the plan. Batch tracking is implemented in ERP for all products and is being extended to DMS which has also helped us in tracking and reduction of slow and non-moving inventories. Design work is now in completion stage for the proposed green field manufacturing facility at Vadodara.

Focus for 2019-20 is on accelerating value creation through cost optimization from e2e supply chain perspective. Speed of execution in areas

of manufacturing and supply network, sourcing initiatives, improving secondary inventory tracking and hygiene of delivery. Supply chain analytics will also be scaled up to give us more insight into trends and increase planning horizon. People development with changing landscape of supply chain analytics is also being prioritized in partnership with leading Global and India organizations in supply chain training.

### 2. Manufacturing

Company has eight production facilities including third party operations to cover foot prints across India and overseas. Broadly, Hair oil & skin care products are manufactured at factories situated in Himachal Pradesh, Uttarakhand & Guwahati regions. Out of eight manufacturing facilities, 4 units are located at Paonta sahib, Parwanoo & Baddi, three in Uttarakhand & one in Guwahati for manufacturing of all variants of hair oils & Nomarks skin care products.

Other than hair & skin care portfolio, company has one third party facility located in Udaipur, Rajasthan for manufacturing of oral care products.

#### Plant operations

The plants of the company have initiated activities to become best in class, efficient, cost effective and green factories. Based on Japanese improvement system Kaizens, the continuous improvement theme has been rolled out across factories in a big way to improve operational excellences at works.

As a concept implementation across factories, infrastructural upgradations have been planned in factories to improve overall product quality, new age technology, high speed machines, contamination free stainless-steel tanks & piping, dust free environment, fire protection system and high level of Industrial automations.

Special attention has been given to use natural and energy efficient lighting, natural cooling and heating along with other energy saving initiatives across the plants.

#### Systems & Processes

To deliver best quality products to consumers, all manufacturing facilities have completed annual certifications of ISO standards along with implementation of worlds renowned manufacturing excellence programs implementations like TPM, 5S & quality circles. Under this scheme, warehouses have also been covered this year as potential locations for ISO systems implementations for improving overall efficiency and productivity.

### Environment & safety

Under go-green initiatives company has continued policy of using only BEE-5 star rated equipment's, LED lights, fans, blowers etc. with continual reduction in resource wastages of air & water.

Although having best in class safety systems implementations, there is ongoing focus to improve fire safety protection in plant and warehouses with provisions of sensor-based fire control system, last point reach of hydrants, emergency controls, real time drills, fire fighters training etc.

### New product development

To fulfill growing requirements of market and maintaining larger portfolio, company has launched new products like Cool Almond Drops Hair Oil along with restaging of Nomarks portfolio & Almond Drop Hair oil products this year. The company also launched Antimarks Ayurvedic sunscreen under the umbrella brand 'Nomarks'.

### Up-keep & upgrade

To keep fit & ready to deliver machines, the best systems of TPM has been implemented by plants with Base of world's renowned housekeeping method 5S, Kaizens, one point lessons & autonomous maintenance practices.

### 3. Treasury Operations

During the Financial Year, your company's Treasury operations continued to focus on generating stable returns for the funds available with the defined framework of investments. The year under review witnessed extreme rate volatility from rate hike in August 2018 to rate cut starting in February 2019. The liquidity squeeze in September 2019 resulted in tight market conditions. The default by IL&FS in September 2019 exacerbated the market conditions with credit market spreads widening to all time high.

Indian rupee depreciated from 68 levels to upto 74 levels and this was the sharpest depreciation witnessed by the markets. A large number of internal and external factors caused havoc on the stability of financial market in India.

1. Under rising interest rates scenario, we had systematically reduced the duration of the portfolio and deployed funds in shorter tenor funds and liquid funds. We expect the supply overhand of government securities to continue in FY 20, hence, we will stay invested in shorter end of the curve upto 3 years bonds.
2. We had started investing in short term bonds less than 1 year maturity since August 2018 which helped us tide over the market volatility and protected our portfolio from extreme interest rate movements. We earned stable interest accrual and were able to liquidate the portfolio for our dividend payout in January 2019.
3. We have started reducing the duration of our bond portfolio as soon as RBI changed its monetary stance from accommodative to Neutral and will continue to remain on lower side of duration till RBI maintains its Neutral stance.
4. We have followed conservative investment policy of investing in AAA rated bonds thereby earning stable accrual income through coupon interests which was higher than money market rates which were at their lowest during the year.
5. To maximize our realizations from forex remittances, we have initiated forex hedging

mechanism to actively cover our export collections in forward market.

We will continue to tactically shift our allocation between bonds and money market instruments depending upon interest rate scenario and liquidity condition in market. Our company treasury remains committed to actively manage portfolio to generate higher returns without sacrificing the credit quality of portfolio. Over eight years of treasury operations, our company has achieved credible reputation in debt markets for regular investment operations.

### 4. Human Resources & Industrial Relations

Bajaj Consumer Care Limited (BCCL) recognizes the importance of having an agile, customer-centric and performance driven workforce. The Company is striving to achieve this by continuously providing opportunities to challenge, enrich and fulfil aspirations of employees helping them maximize their true potential.

In 2018-19, the most significant development was to unveil the new Corporate Identity for the Company. This started with renaming the Company as **"Bajaj Consumer Care Limited"**, changing the Corporate Logo of the Company with more focus and purpose towards "why we exist in the marketplace". This has helped us to reposition us as an organization which "Thinks Tomorrow". Our new Vision now is ***"To harness our heritage of 90 years and combine it with leading edge scientific knowledge to bring innovative products for consumers across the world to help them to get more out of life"***.

To corroborate with the new Vision, the Mission of the HR Function is now ***"To build a future ready organization by attracting, developing, engaging and retaining the right talent in line with business objectives"***. This will be achieved through focusing on four critical pillars for HR Deliverables i.e Organizational Effectiveness, Talent Management, Talent Enablement and Total Rewards Strategy. The endeavor is to integrate the Organizational processes & initiatives and align them with the mission.

One of the biggest highlights on people practices for the year was that Bajaj Consumer Care Ltd is now a **"Great Place to Work – Certified™ Organization"**. Our name as a certified organization now features in list of large business size categories of companies in GPTW list of 2019. The Trust index Score of the survey is at 77, a delta of 8 percentage point from previous years score and the highest score achieved so far by us. The survey was conducted across 100% of organization workforce and hence the survey report will act as

an important bellwether for us to assess the quality of people practices and experiences we have delivered.

BCCL has been awarded the “Best Company in FMCG Sector” in March 2019 by CNBC Awaaz in their first Rajasthan Ratna Awards. Our Manufacturing Operations team won three Gold Awards in the 8<sup>th</sup> Convention on Quality Concepts and an “Excellence Award” in 32<sup>nd</sup> National Convention on Quality Concepts. These awards acknowledge exemplary performances on quality systems, processes and productivity implementation of quality concepts under the TQM umbrella.

In addition, our Mancom Members continued to speak and get recognized at key national events and conferences. Our Managing Director participated in CNBC’s ‘Show Bazaar’ and BTVI’s ‘Trending Today’ discussing market trends and results. Our President (Sales & Marketing) was a speaker at Marketing Whitebook Summit 2018 organized by Business World and Times Network and our Head-HR was a speaker in HR Summit organized by Programic Asia. Our Head-IT was felicitated at Big 50 CISO Awards for his work on SFA.

Capability development of our employees has continued to remain our key focus for the year. The learning calendar for the entire organization captured from Training Need Identification process has largely been implemented with attainment of 2000 Hours of training mandays through blended learning platform approach. Some of the highlights of learning initiatives include focused leadership assessment and development initiative for the Management Committee Members through leading partners like ISB, Hyderabad and Egon Zehnder. Such Assessment and Development Centers were also conducted for critical employees of Sales including Coaching Interventions for key Sales Leaders. Focused functional interventions such as Smart Manufacturing concept was driven to optimize manufacturing operations.

Employee Engagement and Communication continued around the year through multiple channels. There were 3 Townhalls in the year which were organized both at Mumbai and field locations. The objective was to present company performance & strategy, brand launches, rewards & recognition and opportunity for employees to directly communicate with Senior Leaders. Through usage of technology, we could ensure participation of 95% of our employees and overall feedback was extremely positive. Focused engagement initiatives for employees across various location was conducted around the year along with extended

family through celebration of festivals, important milestones and success. Initiatives like Star Awards, Samman Awards and My Child My Pride continued to generate positive enthusiasm across the Organization.

The future of the organization lies on hiring the right talent who can propel the organization to better future. 2018-19 has been a critical year in terms of significantly developing the talent quotient of the organization. We have been able to man the organization at 96% fill rate, while hiring more numbers of professionally qualified candidates then ever before and reducing the average age of employees in the organization. The highlight of talent acquisition for the year was 5 key leadership hiring, all of whom have rich experience across reputed MNCs in their field and from pedigreed educational backgrounds. The Company also visited Tier-1 Business Schools for Summer Interns hiring.

The entire HR Policies and Processes framework is being made future ready to ensure faster decision making, clarity in workflow, benchmarking with competition and statutory requirement. To strengthen employee work life balance, flexi-working for Corporate Employees has been introduced with an endeavor to provide flexibility to employees in managing better balance of their work schedule and personal time needed for family & individual activities, without impacting business assignment and targets. The travel policy for International Business employees has been introduced. Gift and Entertainment policy has been modified to bring clarity in the way we deal with external stakeholders. The Company continued to benchmark and adopt progressive compensation and benefits practices with introduction of National Pension Scheme and Sodexo Meal Cards. A gender-neutral POSH policy with a revamped Internal Complaints Committee has been put in place and wide communication has been done across the Organization. This effort will continue in current year.

We remain committed to provide a safe and compliant workplace to our employees. We continue to do Audit and Assessment of our compliance status at various manufacturing location and take preventive and corrective measures as per need.

As on March 31, 2019, the company had 590 employees on its payroll. The Industrial Relations at the Company’s manufacturing units, Corporate office and Zonal regions were cordial throughout the year without any loss of Mandays.

### Internal Control Systems & Adequacy

Company has in place, an adequate internal control and internal audit system managed by qualified and experienced people. Main objective of the system is

- to safeguard the Company's assets against loss through unauthorized use and pilferage.
- to ensure that all transactions are authorized, recorded and reported correctly and timely.
- to ensure that operations are conducted in an efficient and cost effective manner.
- to ensure various compliances under statutory regulations and corporate policies are made on time.
- to figure out the weaknesses persisting in the system and suggest remedial measure for the same.

Internal audits are undertaken on a continuous basis covering all the operations i.e., manufacturing, sales & distribution, marketing, finance, etc. Reports of internal audits are reviewed by management from time to time and desired actions are initiated to strengthen the control and effectiveness of the system.

### Risks & Concerns

Our Company, like any other enterprise, is exposed to business risk which can be an internal risks as well as external risks.

One of the key risks faced by the Company in today's scenario is the wide and frequent fluctuations in the prices of its raw material. Our major raw material LLP is the derivative of crude and the prices of Crude Oil remain highly volatile whole year on account of various international political and economical reasons which are beyond our control and which may results into hike in prices of its derivatives. Similarly the prices of Refined Mustard Oil which is another major ingredient also remain volatile on account of various reasons. The crop mainly depends on monsoon and bad monsoon may result into increase in the prices of RMO. Any further increase in prices of raw

materials could create a strain on the operating margins of the Company. While Bajaj Almond Drops has exhibited adequate pricing power, unprecedented increase in raw material prices consequent to crude price increase and RMO price increase may not be fully passed on and some impact may have to be absorbed by the Company.

Inflationary tendencies in the economy and deterioration of macro economic indicators, coupled with unseasonal rain in India, damaging rabi crop to a great extent, can impact the spending power of the consumer because of which down trading from branded products to non-branded can occur which can affect the operating performance of the Company.

We operate in a highly competitive FMCG market with competitors who may have better ability to spend more aggressively on advertising and marketing and more flexibility to respond to changing business and economic conditions. Further, there are regional or smaller competitors who have certain advantages over us. An increase in the amount of competition that we face could have a material adverse effect on our market share and sales.

The FMCG environment is competition intensive and to ensure survival in this industry, one has to focus on branding, product development and innovation but such expenditure carry the inherent risk of failure.

Any unexpected changes in regulatory framework pertaining to fiscal benefits and other related issue can affect our operations and profitability.

However, the Company is well aware of the above risks and as part of business strategy has put in mechanism to ensure that they are mitigated with timely action.

# Independent Auditors' Report

**To the Members of Bajaj Consumer Care Limited**

**Report on the Audit of the Standalone Financial Statements**

## Opinion

We have audited the standalone financial statements of Bajaj Consumer Care Limited (Formerly known as 'Bajaj Corp Limited') ("the Company"), which comprise the balance sheet as at March 31, 2019, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (Collectively referred to as 'standalone financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at March 31, 2019, and its profit (financial performance including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

## Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

## Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for

preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing ('SAs'), we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because

the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:

  - c. The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d. In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standard) Rules 2016.
  - e. On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
  - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
  - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company does not have any pending litigations which would impact its financial position.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

## Annexure 'B'

Annexure to the independent auditor's **report of even date on the Standalone Financial Statements of Bajaj Consumer Care Limited**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Bajaj Consumer Care Limited ("the Company") as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future

periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as on March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

# Notes to Standalone Financial Statements for the year ended March 31, 2019

## 1 Corporate Information:

Bajaj Consumer Care Limited (formerly known as 'Bajaj Corp Limited') ('the Company') is a public company domiciled in India and incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on two stock exchanges in India. The registered office of the Company is located at Old Station Road, Sevashram Chauraha, Udaipur, (Rajasthan).

The Company is engaged in the business of cosmetics, toiletries and other personal care products. The Company has presence in both domestic and international markets. Information on related party relationships of the Company is provided in Note 40.

The name of the Company has been changed from "Bajaj Corp Limited" to "Bajaj Consumer Care Limited" w.e.f. Jan 01, 2019. There is no change in Corporate Identification Number (CIN: L01110RJ2006PLC047173).

## 2 Significant Accounting Policies:

### 2.1 Statement of Compliance

In accordance with the notification dated 16<sup>th</sup> February, 2015, issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) with effect from April 1, 2016. These standalone financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with rule 4 of the Companies (Indian Accounting standards) Rules, 2015 and other relevant provisions of the Act.

### 2.2 Basis of Preparation of standalone financial statements

The standalone financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair value at the end of each reporting period, as explained in the accounting policies explained below.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a

revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The standalone financial statements are presented in ₹ in lacs and all values are rounded to the nearest two decimals, except when otherwise indicated.

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criterion set out in schedule III of the Act. Based on the nature of the product and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

### 2.3 Significant Accounting Judgements, Estimates and Assumptions

The preparation of the standalone financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

### 2.4 Property, Plant and Equipment

All the property, plant and equipment are stated in the standalone financial statements at cost less accumulated depreciation and accumulated impairment losses, if any. Freehold land is not depreciated. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

Depreciation on additions/deletions to Property, plant and equipment during the year is provided for on a pro-rata basis with reference to the date of additions/deletions except low value items not exceeding Rs 5,000 which are fully depreciated over a period of one year.

Profit or loss on sale / retirement of property, plant and equipment (PPE) is recognized in statement of profit and loss.

For transition to Ind AS, the Company has elected to continue with the carrying value

of all its property, plant and equipment recognised as of April 1, 2015 (transition date) measured as the Previous GAAP and used that carrying value as deemed cost as of the transition date.

## 2.5 Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Intangible assets are amortised on a systematic basis over a period of useful life.

For transition to Ind AS, the Company has elected to continue with the carrying value of all its intangible assets recognised as of April 1, 2015 (transition date) measured as the Previous GAAP and used that carrying value as deemed cost as of the transition date.

## 2.6 Research and Development

Research Costs are charged as an expense in the year in which they are incurred and are reflected under the appropriate heads of account. Development expenditure is carried forward when its future recoverability can reasonably be regarded as assured and is amortized over the period of expected future benefit.

## 2.7 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable.

IND-AS 115 'Revenue from Contracts with Customers', mandatory for reporting periods beginning on or after April 1, 2018, replaces existing revenue recognition requirements. Under the modified retrospective approach, there were no significant adjustments required to the retained earnings as at April 1, 2018. The adoption of the standard did not have any significant impact on the revenue of the Company.

### i) Sale of Goods :

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer. Revenue

from the sale of goods is measured at the fair value of the consideration received or receivable, net of taxes on sales, customer returns, rebates and other similar allowance.

### ii) Interest Income :

Interest income from financial asset is recognized when it is probable that the economic benefits will flow to the Company and amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and the effective interest rate applicable, which is the rate exactly discounts estimated future cash receipts through the expected life of the financial asset to the asset's net carrying amount on initial recognition.

### iii) Dividend Income:

Dividend income is recognised when the Company's right to receive dividend is established, which is generally when shareholders approve the dividend.

## 2.8 Government Grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to revenue, it is recognised in the statement of profit and loss on a systematic basis over the periods to which they relate.

## 2.9 Leases

### i) Company as a Lessee :

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

### ii) Company as a Lessor :

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the

receipts are structured to increase in line with expected general inflation to compensate for the expected inflation.

## 2.10 Inventories

- i) Stock of raw material and packing materials is valued at cost or net realisable value, whichever is lower. Cost is arrived at on weighted average basis.
- ii) Stock of work in progress and finished goods is valued at cost or net realisable value, whichever is lower.
- iii) Stock of traded goods is valued at lower of cost and net realisable value. Cost is determined on weighted average basis.

## 2.11 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### i) Financial Assets

#### (a) Initial Recognition and Measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

#### (b) Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in following category:

- (i) Debt instruments at amortised cost
- (ii) Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)

### (i) Debt Instruments at Amortised Cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in other income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables, bank fixed deposits.

### (ii) Debt Instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit or loss.

### (c) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when:

- (i) The rights to receive cash flows from the asset have expired, or
- (ii) The Company has transferred its rights to receive cash flows from the asset.

**(d) Impairment of Financial Assets**

In accordance with Ind-AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets and credit risk exposure. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive (i.e., net cash shortfalls), discounted at the original EIR.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L). This amount is reflected under the head 'other expenses' in the P&L. In balance sheet, ECL is presented as an allowance, i.e., as an integral part of the measurement of financial assets.

**ii) Financial Liabilities****(a) Initial Recognition and Measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables and borrowings.

**(b) Subsequent Measurement**

The measurement of financial liabilities depends on their classification, as described below:

**Loans and borrowings**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

**(c) Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

**iii) Offsetting of Financial Instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

**2.12 Fair value**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the

asset or transfer the liability takes place either in the principal market for the asset or liability or in the absence of a principal market, in the most advantageous market for the asset or liability.

### 2.13 Foreign Currency Transaction

#### (i) Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

#### (ii) Conversion

Foreign currency monetary items are reported using the closing exchange rate on the Balance Sheet date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

#### (iii) Exchange Differences

Exchange difference arising on the settlement of monetary items at rates different from those at which they were initially recorded during the year, or reported in previous standalone financial statements, are recognized as income or as expenses in the year in which they arise.

### 2.14 Employee Benefits:

#### (i) Short Term Employee Benefits:

Short term employee benefits are recognised as expenditure at the undiscounted value in the Statement of Profit and Loss for the year in which the related service is rendered.

#### (ii) Post Employment Benefits:

##### (a) Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts.

Payment to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

##### (b) Defined Benefit Plans

Gratuity and Leave Encashment liabilities are covered under the Gratuity cum-Insurance Policy and Leave Encashment Policy respectively, of Life Insurance Corporation of India (LIC). The present value of the obligation is determined based on an actuarial valuation, using the Projected Unit Credit Method.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognised in profit or loss on the earlier of the date of the plan amendment or curtailment, and the date that the Company recognises related restructuring costs.

Net interest is calculated by applying the discount rate to the net defined benefit liability or

asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss. 1) service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements and 2) Net interest expense or income.

**(c) Share based payment transactions**

Equity-settled share-based payments to employees and others providing similar services are measured the fair value of the equity instruments at the grant date. Details regarding the determination of fair value of equity-settled share-based payment transactions are set out in note 39.

The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity.

At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in profit or loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the equity-settled employee benefits reserve ("Share option outstanding account").

## 2.15 Taxation

**a) Current Tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with the Income-tax Act, 1961 enacted in India. Current income tax relating

to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Current tax assets and current tax liabilities are offset when there is legally enforceable right to set off the recognized amount and there is an intention to settle the asset and liability on a net basis.

**b) Deferred Tax**

Deferred income taxes reflects the impact of temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by the same governing taxation laws.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

In the situations where the Company is entitled to a tax holiday under the Income-tax Act, 1961 enacted in India or tax laws prevailing in the respective tax jurisdictions where it operates, no deferred tax (asset or liability) is recognized in respect of timing differences which reverse during the tax holiday period, to the extent the Company's gross total income is subject to the deduction during the tax holiday period. Deferred tax in respect of timing differences which reverse after the tax holiday period is recognized in the year in which the timing differences originate.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that

it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

## **2.16 Impairments of Non Financial Assets**

The carrying amount of assets are reviewed at each Balance Sheet date, if there is any indication of impairment based on internal / external factors. An asset is impaired when the carrying amount of the asset exceeds the recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. An impairment loss is recognised in profit or loss section of the statement of profit and loss for the year in which an asset is identified as impaired.

## **2.17 Earnings Per Share**

Basic and diluted earnings per share are calculated by dividing the profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

## **2.18 Cash and Cash Equivalents**

Cash and cash equivalents for the purposes Statement of Cash Flow comprise cash at bank and in hand and Bank deposits with original maturity of three months or less.

## **2.19 Provisions, Contingent liabilities and contingent assets**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Contingent liabilities are disclosed in the standalone financial statements unless possibility of an outflow of resources embodying economic benefit is remote. Contingent assets are disclosed in the standalone financial statements when an inflow of economic benefits is probable.

## **2.20 Dividend**

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

## **2.21 Standards issued but yet not effective**

Ind AS 116 Leases: On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. The Standard also contains enhanced disclosure requirements for lessees. The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019. The standard permits two possible methods of transition: a) Full retrospective and b) Modified retrospective. The Company has evaluated the effect of this Ind AS on the financial statements and the impact is not material.

Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments: On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. The standard permits two possible methods of transition - i) Full retrospective approach and ii) Retrospectively with cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives. The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after April 1, 2019. The Company will adopt the standard on April 1, 2019.

Amendment to Ind AS 12 – Income taxes: On March 30, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes. Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company does not have any impact on account of this amendment.

Amendment to Ind AS 19 – plan amendment, curtailment or settlement: On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements. Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company does not have any impact on account of this amendment.

**37.2 Defined Benefit Plan**

The Company has defined benefit gratuity plan (funded with LIC) which is governed by the Payment of Gratuity Act, 1972. Under the act, employee who has completed five years of service is entitled to gratuity benefit. Liability for employee benefits has been determined by an independent actuary, appointed for the purpose, in conformity with the principles set out in the Ind AS-19, the details of which are as hereunder:

These plans typically expose the Company to actuarial risks such as: interest rate risk, longevity risk and salary risk.

Interest risk	A decrease in the bond interest rate will increase the plan liability.
Longevity risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

**Note:**

- (i) The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a Defined Benefit Obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

- (ii) The parameter most subject to change is the discount rate. In determining the appropriate discount rate, the management considers the prevailing market yields of Indian Government Securities as at the Balance Sheet date for the estimated term of the obligation.
- (iii) The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. The estimates of future salary increases, considered in actuarial valuation, take account of the inflation, seniority, promotion and other relevant factors.
- (iv) The sensitivity analyses shown above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

### 38 Financial Instruments

#### 38.1 Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Company. Primary objective of Company's capital management is to ensure that it maintains an optimum financing structure and healthy returns in order to support its business and maximize shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company does not have any long term debts hence there is no capital gearing ratio. Surplus fund has been invested into risk free highly liquid financial instruments.

#### 38.3 Financial Risk Management Objectives

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's primary focus is to foresee the unpredictability of the financial markets and seek to minimize the potential adverse effects on its financial performance.

**(a) Market Risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as commodity price risk. Financial instruments affected by market risk include trade receivables, deposits and current investments.

**i) Interest Rate Risk**

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company does not have any long term debt obligation hence not affected by interest rate fluctuations. The Company has invested its surplus funds in fixed income securities. The mark to market valuation of its portfolio is impacted by fluctuation of the interest rates. Portfolio values will change by approximately 5% for every 1% change in interest rates.

**ii) Foreign Currency Risk**

Foreign currency risk is the risk that the fair value of future cash flows of an exposure will fluctuate because of changes in exchange rates. The Company has international business and some part of its sales are in foreign currencies which exposes to changes in foreign exchange rates. Fluctuating rupee can impact the realisation of its receivables. The Company may use various hedging instruments to hedge its foreign currency risk associated with those exposures. The maximum export sales are done on advance payment basis and outstanding export receivables are very insignificant. Hence foreign currency risk has insignificant impact on the Company.

**iii) Commodity Price Risk**

The Company is affected by the price volatility of its key raw materials. Its operating activities require a continuous supply of key material for manufacturing of hair oil and other cosmetic products. The Company's procurement department continuously monitors the fluctuation in price and takes necessary action to minimise its price risk exposure.

**(b) Credit Risk**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its treasury operation. The Company majorly sells its goods on advance payment basis and hence not subject to credit risk for its receivables. The Company has invested in high grade corporate bonds which have a strong track record hence the credit risk component of its investment portfolio is neutralised.

**(c) Liquidity Risk**

As of March 31, 2019, the Company has working capital of ₹ 28,833.60 lacs (current assets of ₹ 42,479.12 lacs including cash and cash equivalents of ₹ 1,244.27 lacs and current investments of ₹ 25,087.67 lacs). The Company has outstanding bank borrowings of ₹ 2,500 lacs as export credit which will be repaid within 6 months from export realisations. Accordingly, no liquidity risk is perceived.

**38.4 Fair value Measurement**

The management assessed that fair value of loans, cash and cash equivalents, trade receivables, trade payables and other current liabilities approximate to their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values.

- i) The fair value of unquoted instruments are evaluated by the Company based on parameters such as interest rates and its investments rating.
- ii) The fair values of the quoted instruments are based on price quotations at the reporting date.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique.

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs which have a significant effect on the recorded fair value that are not based on observable market data.

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3 as described below:

### 39 Disclosures required pursuant to Ind AS 102 - Share Based Payment

#### Employee stock option plan

During the current year, the Company has implemented the Bajaj Corp Employee Restricted Stock Unit Plan 2018 ("RSU 2018") which was approved by the shareholders of the Company at the Annual General Meeting held on July 23, 2018 enabling the grant of 7,37,500 stock options to the some of the key management employees including managing director of the Company. Pursuant to the said approval, on August 14, 2018 the Company has granted 2,53,596 stock options to some key management employees including managing director of the Company, at an exercise price of ₹ 1 per stock option. Each option represents 1 equity share in the Company.

The vesting period is 1 year to 4 years from the date of grant and the exercise period is within three years from the date of vesting.

There are no cash settlement alternatives in RSU 2018.

The expense recognised for employee services received during the year is shown in the following table:

Particulars	FY 2018-19
Expense arising from equity-settled share-based payment transactions	288.18

The following table illustrates the number and weighted average exercise prices of, and movements in, share options during the year:

Particulars	FY 2018-19	
	Exercise Price (₹ per option)	Nos. of Option
Opening Balance	-	-
Granted during the year	1.00	2,53,596
Exercised during the year	-	-
Forfeited during the year	-	-
Closing balance	1.00	2,53,596
Vested and exercisable	-	-

Share option outstanding at the end of the year have following expiry date and exercise price:

Grant date	Expiry date	Exercise Price (₹ per option)	Share Option Outstanding March 31, 2019
14-Aug-18	August 13, 2022-25	1	159800
Weighted average remaining contractual life of the options			2.12 years

#### Fair value

The fair value of the share options is estimated at the grant date using Black Sholes Option Pricing Model, which takes into account the exercise price, terms and conditions of the options, the share price at grant date, expected price volatility of the underlying shares, the expected dividend yield and risk free interest rate.

The weighted average fair value of the options granted during the year is ₹ 392.10 per share.

The following assumptions were used for calculating fair valuation of the grants:

Particulars	March 31, 2019
Dividend yield	2.50%
Expected volatility	24% PA.
Risk free Interest rate	7.20-7.70% PA.
Expected life of the contract	1-4 years
Weighted average share price (₹ per share)	420.75

The volatility in share price is estimated from the actual movement in share prices of the Company over one year preceding the grant date. This historical volatility is the annualized standard deviation of the continuously compounded rates of daily stock returns.

# Independent Auditors' Report

**To the Members of Bajaj Consumer Care Limited**

**Report on the Audit of the Consolidated Financial Statements**

## Opinion

We have audited the accompanying consolidated financial statements of Bajaj Consumer Care Limited (Formerly known as 'Bajaj Corp Limited') (hereinafter referred to as the 'Holding Company') and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated Balance Sheet as at March 31, 2019, and the consolidated statement of Profit and Loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated cash flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs (financial position) of the Group as at March 31, 2019, of consolidated profit (financial performance including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year then ended.

## Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in India in terms of the Code of Ethics issued by ICAI and the relevant provisions of the Companies Act, 2013, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

## Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 ('the Act') that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income) and consolidated cash flows of the Group including in accordance with the accounting principles generally accepted in

India, including the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain

responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Other Matters**

We did not audit the financial statements of three subsidiaries, whose financial statements reflect total assets of ₹ 8,430.24 lacs as at March 31, 2019, total revenues of ₹ 1,218.44 lacs and net cash out flows amounting to ₹ 18.45 lacs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

### **Report on Other Legal and Regulatory Requirements**

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act read with Companies (Indian Accounting Standard) Rules, 2015.
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2019 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies, incorporated in India is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in Annexure 'A'.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. There were no pending litigations which would impact the consolidated financial position of the Group.
- ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company. Further, there were no amount which was required to be transferred to the Investor Education and Protection Fund by its subsidiaries company incorporated in India.

## Annexure 'A'

### **Annexure to the independent auditor's report of even date on the Consolidated financial statements of Bajaj Consumer Care Limited**

#### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2019, We have audited the internal financial controls over financial reporting of Bajaj Consumer Care Limited (hereinafter referred to as "the Holding Company") and its subsidiary company, which are companies incorporated in India, as of that date.

#### **Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the of the Holding company, its subsidiary company which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Holding Company and its subsidiary company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Other Matters**

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to a subsidiary company, which is company incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

## Notes to Consolidated Financial Statements for the year ended March 31, 2019

### 1 Corporate Information:

The consolidated financial statements comprise financial statements of Bajaj Consumer Care Limited (formerly Bajaj Corp Limited ('the Company') and its subsidiaries (collectively, 'the Group') for the year ended March 31, 2019. The Company is a public company domiciled in India and incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on two stock exchanges in India. The registered office of the company is located Old Station Road, Sevashram Chauraha, Udaipur, (Rajasthan).

The Group is engaged in the business of cosmetics, toiletries and other personal care products. The Group has presence in both domestic and international markets. Information on the Group's structure is provided in Note 39 and other related party relationships of the Group is provided in Note 41.

The name of the Company has been changed from "Bajaj Corp Limited" to "Bajaj Consumer Care Limited" w.e.f. Jan 01, 2019. There is no change in Corporate Identification Number (CIN: L01110RJ2006PLC047173).

### 2 SIGNIFICANT ACCOUNTING POLICIES:

#### 2.1 Statement of Compliance

In accordance with the notification dated 16<sup>th</sup> February, 2015, issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) with effect from April 1, 2016.

These consolidated financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with rule 4 of the Companies (Indian Accounting standards) Rules, 2015 and other relevant provisions of the Act.

#### 2.2 Basis of Preparation of Financial Statements

The consolidated financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair value at the end of each reporting period, as explained in the accounting policies explained below.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The consolidated financial statements are presented in ₹ in lacs and all values are rounded to the nearest two decimals, except when otherwise indicated.

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criterion set out in schedule III of the Act. Based on the nature of the product and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

#### 2.3 Basis of Consolidation

- (i) The Consolidated financial statements incorporate the financial statements of the Company and its subsidiaries. Control is achieved when the Company has
  - a) power over the investee,
  - b) Exposure, or rights, to variable returns from its involvement with the investee, and
  - c) The ability to use its power over the investee to affect its returns
- (ii) Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.
- (iii) The consolidated financial statements are prepared by adopting uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the parent company's separate financial statements unless stated otherwise.
- (iv) The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company.

#### Consolidation Procedure

- a) The financial statements of the parent Company and its subsidiary companies have

- been combined on a line-by line basis by adding together the book values of like items of assets, liabilities, equity, income, expenses and cash flows.
- b) Eliminate the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.
  - c) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the Group.
  - d) Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance.
  - e) On consolidation, the assets and liabilities of foreign subsidiaries are translated into INR at the rate of exchange prevailing at the reporting date and their statements of profit or loss are translated at exchange rates prevailing at the dates of the transactions. For practical reasons, the Group uses an average rate to translate income and expense items, if the average rate approximates the exchange rates at the dates of the transactions. The exchange differences arising on translation for consolidation are recognised in OCI. On disposal of a foreign operation, the component of OCI relating to that particular foreign operation is recognised in profit or loss.
- (iv) If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, with clear evidence of bargain purchase, then the gain is recognised in OCI and accumulated in equity as capital reserve. In other case the entity recognises the gain directly in equity as capital reserve, without routing the same through OCI.
  - (v) After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units that are expected to benefit from the combination.
  - (vi) If the recoverable amount of the cash generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised in profit or loss.

## 2.4 Business Combination

- (i) Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. Acquisition related costs are expensed as incurred.
- (ii) At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities.
- (iii) Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed.

## 2.5 Significant Accounting Judgements, Estimates and Assumptions

The preparation of the consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

## 2.6 Property, Plant and Equipment

All the property, plant and equipment are stated in the consolidated financial statements at cost less accumulated depreciation and accumulated impairment losses, if any. Freehold land is not depreciated. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use.

Depreciation on additions/deletions to Property, plant and equipment during the year is provided for on a pro-rata basis with reference to the date of additions/deletions except low value items not exceeding ₹ 5,000 which are fully depreciated over a period of one year.

Profit or loss on sale / retirement of property, plant and equipment (PPE) is recognized in statement of profit and loss.

For transition to Ind AS, the Group has elected to continue with the carrying value of all its property, plant and equipment recognised as of April 1, 2015 (transition date) measured as the Previous GAAP and used that carrying value as deemed cost as of the transition date.

## 2.7 Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses. Intangible assets are amortised on a systematic basis over a period of useful life.

For transition to Ind AS, the Group has elected to continue with the carrying value of all its property, plant and equipment recognised as of April 1, 2015 (transition date) measured as the Previous GAAP and used that carrying value as deemed cost as of the transition date.

## 2.8 Research and Development

Research Costs are charged as an expense in the year in which they are incurred and are reflected under the appropriate heads of account. Development expenditure is carried forward when its future recoverability can reasonably be regarded as assured and is amortized over the period of expected future benefit.

## 2.9 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable.

IND-AS 115 'Revenue from Contracts with Customers', mandatory for reporting periods beginning on or after April 1, 2018, replaces existing revenue recognition requirements. Under the modified retrospective approach, there were no significant adjustments required to the retained earnings as at April 1, 2018. The adoption of the standard did not have any significant impact on the revenue of the Group.

### (i) Sale of Goods :

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of taxes on sales, customer returns, rebates and other similar allowance.

### (ii) Interest Income :

Interest income from financial asset is recognized when it is probable that the economic benefits will flow to the Group and amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and the effective interest rate applicable, which is the rate exactly discounts estimated future cash receipts through the expected life of the financial asset to the asset's net carrying amount on initial recognition.

### (iii) Dividend income:

Dividend income is recognised when the Group's right to receive dividend is established, which is generally when shareholders approve the dividend.

## 2.10 Government Grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to revenue, it is recognised in the statement of profit and loss on a systematic basis over the periods to which they relate.

## 2.11 Leases

### (i) Group as a Lessee :

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Group as lessee are classified as operating leases. Payments made under operating leases are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

### (ii) Group as a Lessor :

Lease income from operating leases where the Group is a lessor is recognised in income on a straightline basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflation.

## 2.12 Inventories

- (i) Stock of raw material and packing materials is valued at cost or net realisable value whichever is lower. Cost is arrived at on Weighted Average basis.
- (ii) Stock of work in progress and finished goods is valued at cost or net realisable value whichever is lower.
- (iii) Stock of traded goods is valued at lower of cost and net realisable value. Cost is determined on weighted average basis.

## 2.13 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### (i) Financial Assets

#### a) Initial Recognition and Measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

#### b) Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in following category:

- (i) Debt Instruments at Amortised Cost
- (ii) Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)

#### (i) Debt Instruments at Amortised Cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Group. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in other income in the Statement of Profit and loss. The losses arising from impairment are recognised in the Statement of Profit and loss. This category generally applies to trade and other receivables, bank fixed deposits.

#### (ii) Debt Instrument at FVTPL

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit or loss.

#### c) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when:

- (i) The rights to receive cash flows from the asset have expired, or
- (ii) The Group has transferred its rights to receive cash flows from the asset.

#### d) Impairment of Financial Assets

In accordance with Ind-AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets and credit risk exposure. The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables.

The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive (i.e., net cash shortfalls), discounted at the original EIR.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L). This amount is reflected under the head 'other expenses' in the P&L. In balance sheet, ECL is presented as an allowance, i.e., as an integral part of the measurement of financial assets.

### (ii) Financial Liabilities

#### a) Initial Recognition and Measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Group's financial liabilities include trade and other payables and borrowings.

**b) Subsequent Measurement**

The measurement of financial liabilities depends on their classification, as described below:

**Loans and borrowings**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

**c) Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

**(iii) Offsetting of Financial Instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

**2.14 Fair value**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability or in the absence of a principal market, in the most advantageous market for the asset or liability.

**2.15 Foreign Currency Transaction****(i) Initial Recognition**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the

reporting currency and the foreign currency at the date of the transaction.

**(ii) Conversion**

Foreign currency monetary items are reported using the closing exchange rate on the Balance Sheet date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

**(iii) Exchange Differences**

Exchange difference arising on the settlement of monetary items at rates different from those at which they were initially recorded during the year, or reported in previous consolidated financial statements, are recognized as income or as expenses in the year in which they arise.

**2.16 Employee Benefits:****(i) Short Term Employee Benefits:**

Short term employee benefits are recognised as expenditure at the undiscounted value in the Statement of Profit and Loss for the year in which the related service is rendered.

**(ii) Post Employment Benefits:****(a) Defined Contribution Plans**

A defined contribution plan is a post-employment benefit plan under which entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts.

Payment to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

**(b) Defined Benefit Plans**

Gratuity and Leave Encashment liabilities are covered under the Gratuity cum-Insurance Policy and Leave Encashment Policy respectively, of Life Insurance Corporation of India (LIC). The present value of the obligation is determined based on an actuarial valuation, using the Projected Unit Credit Method.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognised in profit or loss on the earlier of the date of the plan amendment or curtailment, and the date that the Group recognises related restructuring costs.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Group recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss. 1) service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements and 2) Net interest expense or income.

## **(c) Share based payment transactions**

Equity-settled share-based payments to employees and others providing similar services are measured the fair value of the equity instruments at the grant date. Details regarding the determination of fair value of equity-settled share-based payment transactions are set out in note 38.

The fair value determined at the grant date of the equity-settled share-based payments is expensed on a straight-line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity.

At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in profit or loss such that the cumulative expense reflects the revised estimate, with a corresponding adjustment to the equity-settled employee benefits reserve ("Share option outstanding account").

## **2.17 Taxation**

### **(i) Current Tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities in accordance with

the Income-tax Act, 1961 enacted in India. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Current tax assets and current tax liabilities are offset when there is legally enforceable right to set off the recognized amount and there is an intention to settle the asset and liability on a net basis.

### **(ii) Deferred Tax**

Deferred income taxes reflects the impact of temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by the same governing taxation laws.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

In the situations where the Group Company is entitled to a tax holiday under the Income-tax Act, 1961 enacted in India or tax laws prevailing in the respective tax jurisdictions where it operates, no deferred tax (asset or liability) is recognized in respect of timing differences which reverse during the tax holiday period, to the extent the Group Company's gross total income is subject to the deduction during the tax holiday period. Deferred tax in respect of timing differences which reverse after the tax holiday period is recognized in the year in which the timing differences originate.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

## **2.18 Impairments of Non Financial Assets**

The carrying amount of assets are reviewed at each Balance Sheet date, if there is any indication of

impairment based on internal / external factors. An asset is impaired when the carrying amount of the asset exceeds the recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. An impairment loss is recognised in profit or loss section of the statement of profit and loss for the year in which an asset is identified as impaired.

## 2.19 Earnings Per Share

Basic and diluted earnings per share are calculated by dividing the profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

## 2.20 Cash and Cash Equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and Bank deposits with original maturity of three months or less.

## 2.21 Provisions, Contingent liabilities and contingent assets

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Contingent liabilities are disclosed in the consolidated financial statements unless possibility of an outflow of resources embodying economic benefit is remote. Contingent assets are disclosed in the consolidated financial statements when an inflow of economic benefits is probable.

## 2.22 Dividend

Provision is made for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

## 2.23 Standards issued but yet not effective

Ind AS 116 Leases: On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases.

Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. The Standard also contains enhanced disclosure requirements for lessees. The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019. The standard permits two possible methods of transition: a) Full retrospective and b) Modified retrospective. The Group has evaluated the effect of this Ind AS on the financial statements and the impact is not material.

Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments: On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. The standard permits two possible methods of transition - i) Full retrospective approach and ii) Retrospectively with cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives. The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after April 1, 2019. The Group will adopt the standard on April 1, 2019.

Amendment to Ind AS 12 – Income taxes: On March 30, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes. Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Group does not have any impact on account of this amendment.

Amendment to Ind AS 19 – plan amendment, curtailment or settlement: On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements. Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Group does not have any impact on account of this amendment.

### 32 Benefits to Employees

The following table sets out the disclosure under Ind AS-19 on 'Employee Benefits':

#### 32.1 Defined Contribution Plan

Amount of ₹ 633.76 lacs (FY 2017-18 : ₹ 532.09 lacs) is recognized as an expense and included in "Employee Benefits Expense" (refer note 26) in the Consolidated Statement of Profit and Loss.

#### 32.2 Defined Benefit Plan

The Parent Company has defined benefit gratuity plan (funded with LIC) which is governed by the Payment of Gratuity Act, 1972. Under the act, employee who has completed five years of service is entitled to gratuity benefit. Liability for employee benefits has been determined by an independent actuary, appointed for the purpose, in conformity with the principles set out in the Ind AS-19, the details of which are as hereunder:

These plans typically expose to actuarial risks such as: interest rate risk, longevity risk and salary risk.

Interest risk	A decrease in the bond interest rate will increase the plan liability.
Longevity risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

<b>(j) Expected contribution in respect of Gratuity for next year will be ₹ 20 lacs (P.Y. ₹ 23 lacs).</b>			

**Note:**

- (i) The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.
- (ii) The parameter most subject to change is the discount rate. In determining the appropriate discount rate, the management considers the prevailing market yields of Indian Government Securities as at the Balance Sheet date for the estimated term of the obligation.

- (iii) The mortality rate is based on publicly available mortality tables. Those mortality tables tend to change only at interval in response to demographic changes. The estimates of future salary increases, considered in actuarial valuation, take account of the inflation, seniority, promotion and other relevant factors.
- (iv) The sensitivity analyses shown above have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

## 37 Financial Instruments

### 37.1 Capital Management

For the purpose of the Group's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the Group. Primary objective of Group's capital management is to ensure that it maintains an optimum financing structure and healthy returns in order to support its business and maximize shareholder value.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Group does not have any long term debts hence there is no capital gearing ratio. Surplus fund has been invested into risk free highly liquid financial instruments.

### 37.3 Financial Risk Management Objectives

The Group's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Group's primary focus is to foresee the unpredictability of the financial markets and seek to minimize the potential adverse effects on its financial performance.

#### (a) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such commodity price risk. Financial instruments affected by market risk includes trade receivables, deposits and current investments.

##### i) Interest Rate Risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group does not have any long term debt obligation hence not affected by interest rates fluctuations. The Group has invested its surplus funds

in fixed income securities. The mark to market valuation of its portfolio is impact by fluctuation of the interest rates. Portfolio values will change by approximately 5% for every 1% change in interest rates.

## ii) Foreign Currency Risk

Foreign currency risk is the risk that the fair value of future cash flows of an exposure will fluctuate because of changes in exchange rates. The Group has international business and some part of its sales are in foreign currencies which exposes to changes in foreign exchange rates. Fluctuating rupee can impact the realisation of its receivables. The Group may use various hedging instruments to hedge its foreign currency risk associated with those exposures. The maximum export sales are done on advance payment basis and outstanding export receivable are very insignificant. Hence foreign currency risk have insignificant impact on the Group.

## iii) Commodity Price Risk

The Group is affected by the price volatility of its key raw materials. Its operating activities requires a continuous supply of key material for manufacturing of hair oil and other cosmetic products. The Group's procurement department continuously monitor the fluctuation in price and take necessary action to minimise its price risk exposure.

## (b) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Group is exposed to credit risk from its operating activities (primarily trade receivables) and from its treasury operation. The Group majorly sells its goods on advance payment basis and hence not subject to credit risk for its receivables. The Group has invested in high grade corporate bonds which have a strong track record hence the credit risk component of its investment portfolio is neutralised.

## (c) Liquidity Risk

As of March 31, 2019, the Group has working capital of ₹ 28,734.75 lacs (current assets of ₹ 42,496.71 lacs including cash and cash equivalents of ₹ 1,287.77 lacs and current investments of ₹ 25,088.10 lacs). The Group has outstanding bank borrowings of ₹ 2,500.00 lacs as export credit which will be repaid within 6 months from export realisations. Accordingly, no liquidity risk is perceived.

## 37.4 Fair value Measurement

The management assessed that fair value of loans, cash and cash equivalents, trade receivables, trade payables and other current liabilities approximate to their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values.

- i) The fair value of unquoted instruments are evaluated by the Group based on parameters such as interest rates and its investments rating.
- ii) The fair values of the quoted instruments are based on price quotations at the reporting date.

The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique.

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs which have a significant effect on the recorded fair value that are not based on observable market data.

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3 as described below:

(₹ in lacs)

### 38 Disclosures required pursuant to Ind AS 102 - Share Based Payment

#### Employee stock option plan

During the current year, the Company has implemented the Bajaj Corp Employee Restricted Stock Unit Plan 2018 ("RSU 2018") which was approved by the shareholders of the Company at the Annual General Meeting held on July 23, 2018 enabling the grant of 7,37,500 stock options to the some of the key management employees including managing director of the Company. Pursuant to the said approval, on August 14, 2018 the Company has granted 2,53,596 stock options to some key management employees including managing director of the Company, at an exercise price of ₹ 1 per stock option. Each option represents 1 equity share in the Company.

The vesting period is 1 year to 4 years from the date of grant and the exercise period is within three years from the date of vesting.

There are no cash settlement alternatives in RSU 2018.

The expense recognised for employee services received during the year is shown in the following table:

(₹ in lacs)

Particulars	FY 2018 -19
Expense arising from equity-settled share-based payment transactions	288.18

The following table illustrates the number and weighted average exercise prices of, and movements in, share options during the year:

Particulars	FY 2018 -19	
	Exercise Price (₹ per option)	Nos. of Option
Opening Balance	-	-
Granted during the year	1.00	2,53,596
Exercised during the year	-	-
Forfeited during the year	-	-
<b>Closing balance</b>	<b>1.00</b>	<b>2,53,596</b>
<b>Vested and exercisable</b>	-	-

Share option outstanding at the end of the year have following expiry date and exercise price:

Grant date	Expiry date	Exercise Price (₹ per option)	Share Option Outstanding March 31, 2019
14-Aug-18	August 13, 2022-25	1	159,800
Weighted average remaining contractual life of the options			2.12 years

#### Fair value

The fair value of the share options is estimated at the grant date using Black Sholes Option Pricing Model, which takes into account the exercise price, terms and conditions of the options, the share price at grant date, expected

price volatility of the underlying shares, the expected dividend yield and risk free interest rate.

The weighted average fair value of the options granted during the year is ₹ 392.10 per share.

The following assumption were used for calculating fair valuation of the grants:

Particulars	March 31, 2019
Dividend yield	2.50%
Expected volatility	24% PA.
Risk free Interest rate	7.20-7.70% PA.
Expected life of the contract	1-4 years
Weighted average share price (₹ per share)	420.75

The volatility in share price is estimated from the actual movement in share prices of the Company over one year preceding the grant date. This historical volatility is the annualized standard deviation of the continuously compounded rates of daily stock returns.
