

CHAIRMAN'S MESSAGE

In its 90 years of existence, Bajaj Group has partnered the nation in its growth journey like few have. And, in all humility, the group remains committed to doing so in future as well.

I am proud of what we as a group have achieved so far, but I am even more excited about what lies ahead.

While we remain devoted to **innovation, environment, sustainability & value for life**, our ideals of trust & integrity will continue to guide us in our actions. This makes us well poised to take advantage of opportunities and create greater stakeholder value across our existing businesses of sugar & ethanol, energy and consumer care, and any that we may get into in future.

We thank all our stakeholders for their continued support.

Kushagra Bajaj

Group Chairman
